

BASE 100%
CUSTOMIZABLE

HIGHLIGHT!

Double-sided banner presentation, a completely customizable base and the additional option to place your logo or website on the lateral caps:

Your Highlight: we print your sales message directly on the base. Including the caps you get 5 advertising spaces on just one display - this is what we call a hit!

place your logo on the side caps!

CUSTOMIZE THE BASE WITH PRINT!

Make your floor display unique: individual design and print turn your display into a first-class eyecatcher.

PROUDLY HANDMADE IN ITALY

CHANGE THE SYSTEM

A small change can make a **BIG** difference.

(see butterfly effect, chaos theory by Edward Lorenz)

**WORLD'S QUICKEST DISPLAY:
EXCHANGED IN 5 SECONDS!**

Stand Up is not only very quick, but also extremely flexible: just with the standard sizes we can realize 15 different formats. Free choice of printing material according to wish and budget: paper, PVC, fabric, blackout:

- 1 Banner single- or double-sided
- 2 provide brochures, too? mount the fantastic magnetic pockets directly to the banner
- 3 clever banner connector allows you to exchange only alternating parts of the graphic

OPTIONALS:

Magnetic Pocket - brochure pockets

LINK - banner connector

EASY CLICK!

Hang up: speed up your suspension! The patented magnetic support allows to exchange the graphic as easy as pie.

Hang up comes in a high-grade aluminium and a trendy synthetic version. Both versions are really very easy to handle by everybody. Simply click the banner with its metal strip into the ceiling suspended magnetic hang up profiles

UNIQUE
double side
suspension system

Our displays are principally ecological: no throw-away roll up from asia, no bamboo! With our system the banner display remains at the customer's site, just the print is delivered when a new graphic is requested. Everybody can easily exchange the banner by himself. Floor display Lucy and Hang up wood for ceiling and wall make it perfect: with regional wood, locally manufactured you contribute in protecting the environment. And our counter display wood A5 completes the eco-trio.
